President's Message

Our year has started very good. I am so pleased with the response to our learning classes. We had 20 at the January class and everyone was so excited. Don't forget in February to bring you machines and blocks to work on. We will meet at the Senior Center at 1:30 PM February 9th and sew. Hope to see all of you there.

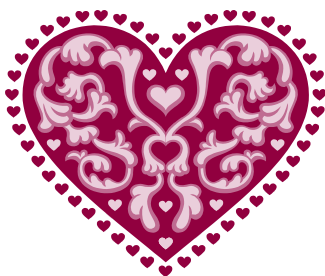

Monday January 19th, Barbara Slimp and I made a trip to Waco to the Homespun Quilters Guild. It was such a fun evening. We displayed our raffle quilt and sold tickets. We had a very good response from their members. We also, got very good tips on different activities for our guild and hope to put them to use. They will be bringing their guild's raffle quilt to our February meeting so please be as kind to them as they were to us. Their quilt is beautiful and I believe any quilter would love to win it. If you would like to take our raffle quilt to a guild just contact me. We need to sell as many tickets as we can to help raise money for the organizations we support in Johnson County

D'Andrea owner of Country Stitches Quilt Shop in Burleson was kind enough again this year to let our guild display the raffle quilt during the Spring Fling Shop Hop scheduled for April 16, 17 & 18 form 8 to 9 each day .I will have a sign up sheet this month for volunteers. Please find time to work at least 1 hour to sell tickets for our quilt. D'Andrea also donated the backing for our quilt, so be sure to thank her when you are there. Remember the guild is only successful if everyone participates

February Meeting - Monday, February 9, 2009

Our February Program will be a School House Session. I will divide the membership into four groups. A different group will start at each of four stations. The sessions will last 15 minutes and after each session the groups will move on to the next station. I hope all of you are working on project for the auction. If everyone would just make 1 quilt our auction would be successful. Don't forget about using your UFO's for auction donations, just take pictures and keep a book. I have at least 2 UFO's that I am giving to the auction that will be in my book to show how many I have completed.

Have a Quilt Happy Day!!!

Please attach a slip of paper that gives the following information:

We will also be having a workshop on Foundation Paper Piecing. Kristi is developing a special quilt just for the Cleburne Area Quilter's Guild. The cost of the workshop is \$20 and I will give you a supply list when you pay for the workshop. We need at least 10 people for the workshop to make and I am happy to say that 16 people signed up at the January meeting (with four already paying). Your patterns will be included in the class.

- In the middle Ages, people believed that the first unmarried person of the opposite sex you met on the morning of St. Valentine's Day would become your spouse.
- Alexander Graham Bell applied for his patent on the telephone, on the Valentine's Day, 1876.
- The Taj Mahal at Agra, India is perhaps the most splendid gift of love. It was built by the Mughal Emperor Shah Jahan in memory of his beautiful wife, Mumtaz Mahal. Work on the Taj began in 1634 and continued for almost 22 years. It took the labor of 20,000 workers from all over India and Central Asia.
