## President's Message

I hope everyone had a great 4<sup>th</sup> of July. Family and fireworks were on my agenda along with President's Challenge Railfence red, white, and blue Blocks. We had 33 turned last month by three members. I just finished making 30 of them from ½ yard of red, white, and blue fabric. Look in the newsletter to see the directions. We will use the finished blocks for Covers For Kids quilts.

Thank you to the Nominating Committee for all their hard work (Judy Bunch, Cyndy Finnell, and Marjorie Stowe). They reported last month and filled out the slate of officers for next year. The slate will be presented at the next meeting and will be officially voted on at our August meeting. The new slate of officers will take over their jobs at the September meeting. The guild year goes from August to September.

July is our School Supply Month for the Rainbow Room. School supplies are needed for Foster Children in Johnson County. We have supported this effort for the last two years and I hope our members are as generous this year. The Rainbow Room is one of organizations our group supports with quilts and other items throughout the year. Please help if you can.

Happy Quilting,  
Judith

Miriam McCurdy's daughter has recently been diagnosed with pancreatic cancer. Please keep Miriam's family in your thoughts and prayers.

Our board meetings are open to all members and are held at 5:30 pm on the day of our Guild meetings.

## President's Challenge

I wanted to do a Challenge that would benefit the guild and members would have fun doing. Here is what I came up with: cut a 3" strip of red, white, and blue fabric (they do not have to be solid but they do have to read those colors) and sew them together with the red and blue on the sides and the white in the middle. When you are done sewing them you will have a strip of fabric as long as the strips you cut and 8" wide. Cut as many 8" square blocks as you can from your strip. You can make as many blocks with different red, whites, and blues as you like. I will keep track of how many you turn in. The member turning in the most blocks will win a great prize, as a matter of fact there will be three prizes so three members have the potential of winning. The blocks will be used to make our Kids Quilts for the Family Crisis Center and the Rainbow Room. Let's have some fun and make a lot of blocks for charity, and do not forget the contest. You can turn in your blocks at the July, August, and lastly at the September meeting. Remember the person turning in the most blocks will win a prize. Thirty three blocks were turned in at the June meeting. You still have three months to make more blocks or start making them.
